A dashboard interface featuring a central globe with a grid overlay. Surrounding the globe are several data widgets, including a list of items on the left and right, and a small chart at the bottom. The interface is clean and modern, with a blue and white color scheme.

Health & Safety News

15 hours ago

Congrats team!

New milestone! There are 20% less near misses compared to the last month - John Mattsson, Head of Safety

140
Accident Free Days

Helsinki Cable Factory

The dashboard features a large image of fireworks on the left. On the right, there is a circular counter showing '140 Accident Free Days' and a congratulatory message from John Mattsson, Head of Safety at Helsinki Cable Factory. A play button icon is visible in the bottom right corner.

ALL HANDS COMING UP

August 18th at 09:00 ET

We're getting some Q&A news for you...

Remember! Save the date!

← Hey all, remember to save the date! It will be great to see you there in August! 🙌

The graphic includes a photo of a group of people in a meeting or event setting. The text is arranged in a clean, professional layout with a mix of bold and regular fonts.

@valotalive

A grid of social media content, including photos of people, event scenes, and product shots. The posts are arranged in a grid format, typical of a social media feed. The content appears to be related to the company's activities and events.
